## Two Little Friends

Two little friends went out to play.  
They jumped in the grass.  
They climbed up the slide.  
When they reached the top of the ladder,  
down the slide they would ride!  
The two little friends were happy together.

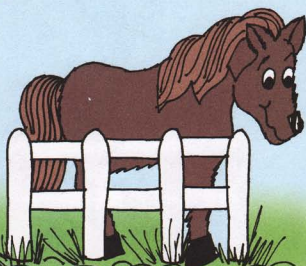

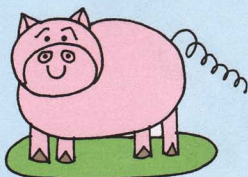

God made many kinds of animals.

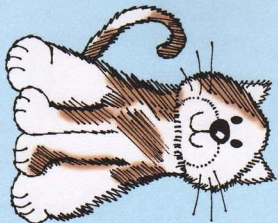

What animals do you see?  
What color is each animal?  
Where does each animal live?

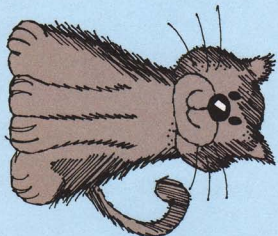

The farmer takes care of many animals.

An underwater scene with a green background. At the top, a large white fish with a smiling face and two dots for eyes swims towards the left. Below it, a brown snail with a spiral shell moves towards the right. To the left of the snail is a brown, branching sea anemone. Further up, a blue and yellow fish with a smiling face swims towards the right. At the very top, a red fish with a smiling face swims towards the left. The scene is filled with many small blue bubbles and green seaweed plants along the bottom edge.

Thank You, God, for making fish.
