Growing and Celebrating with Jesus®

Early Childhood Program Magnetic Figures

Illustrator: Kevin Davidson

These magnetic figures can be used in storytelling, dramatic play, or purchased for children to use at home. Biblical and modern day characters as well as liturgical objects are included!

Be creative when looking for a metal/magnetic surface on which to place the magnets. A file cabinet, desk, or magnetic white board is perfect. When all else fails, spread a colorful piece of felt on the floor. Invite the children to sit around the felt and place the magnetic figures on it.
