Chapter 13 Advent

Chapter 14 Christmas

In Unit 2 your child will grow as a disciple of Jesus by:

- learning that God our Creator made and loves all people
- using the senses God gave us to discover God's world
- seeing the ways we can learn about God in our families
- sharing God's love by caring for our families and friends
- celebrating all of God's gifts in prayer.

Each of us experiences the world through God's gift of our senses. Together, ask your family members and friends which of the senses is most important to them and why. Talk with your child about people who cannot see or cannot hear and ways we can show respect for them.

Make it Happen

We all learn about God with our families and friends. Talk with your child about the people who have helped you to learn about God and what they taught you. Ask your child to share one thing they have learned about God with a family member or friend.

Show That You Care

Together discuss family members, friends, or neighbors who are having difficulties—for example illness or job loss—and who may need a reminder of God's love. Make a *God loves you!* sign for one or some of those people. Send it by mail or, if possible, deliver it together.

Together make a list of all the people who are important to your family. Have your child decorate the list and display it where you say nighttime prayers. Ask God to bless all the people on your list.

Reality Check

"Parents must regard their children as *children of God* and respect them as *human persons*."

(Catechism of the Catholic Church, 2222)

Take Home

Each chapter in your child's *We Believe* Kindergarten text offers a "Take Home" activity that invites your family to support your child's journey to more fully become a disciple of Christ.

God Made All People

WE GATHER

 Acts of the Apostles 17:25

God “gives to everyone
life and breath
and everything.”

What would you like to ask
the people in these pictures?

WE BELIEVE

God made everyone.

God made all people good.
God gave people many gifts.
He gave people the world and
all the good things in it.

 Add people to this picture.
Show them enjoying God's world.

WE BELIEVE

God loves all people.

There are people in every
part of the world.
God loves all of them.
He wants them to love him.
God wants all people
to share his love.

Add yourself in the picture.

WE RESPOND

Cut out the hearts at the side of the page. Look at each picture. Talk about the way people are sharing God's love. If this is a way you can share love, put a heart near the picture.

God made all people.

The People We See

Here are people wearing different kinds of clothes.

Who made these people?

Fold

Here are people eating
different kinds of foods.

Who made these people?

Here are people
doing different
kinds of things.

Who made these people?

Let's Celebrate

✝ We Pray

🎵 God Made People

("Here We Go 'Round the Mulberry Bush")

God made people out of love,
out of love, out of love.
God made people out of love.
Let's join our hands and thank him.

God wants us to share his love,
share his love, share his love.
God wants us to share his love.
Let's all shake hands and thank him.

PROJECT DISCIPLE
