Core and Elective Curriculum Grades 9–12

ENCOURAGE ONGOING FAITH FORMATION WITH THE COMPREHENSIVE CREDO SERIES

The **Credo** series presents the doctrinal content in *Doctrinal Elements of a Curriculum Framework for Young People of High School Age*, the document of the United States Conference of Catholic Bishops (USCCB), through the pedagogy of ‘Life to Faith to Life.’ It begins with the lived experience of the students, presents the teaching of the Church, and then returns to the young people’s experience in order to help them reflect on their lives, their values, and their behavior in the context of what they have learned.

FULLY INTEGRATED PROCESS

In the **Credo** series, Shared Christian Praxis is for the first time adapted as a pedagogy for use with high school students. This process is a proven educational method that moves the learner to an active faith.

INFORMATION AND FORMATION

Outcomes are divided into Learning and Faith-Formation. This reflects one of the principal educational philosophies of the series—an equal emphasis on learning and living the Catholic faith.

REACHING ALL LEARNERS

The variety of stories and experiences presented for exploration is designed to reflect and appeal to the diversity and individuality of the students.

CHRISTOLOGICAL FOCUS

The content goes beyond the requirements to include the breadth and depth of the Catholic Christian story.

SOCIAL JUSTICE STRAND

Teachings about social justice are integrated throughout the **Credo** series.

TECHNOLOGY AT THE SERVICE OF CATECHESIS

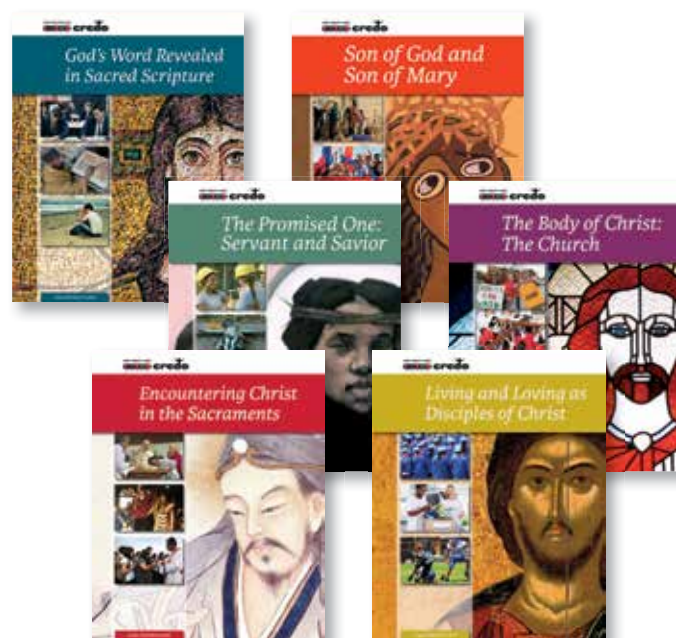

This is a **Credo** difference! Geared to the digital natives of our times, **Credo** accesses technology where it can best enhance and enliven the information and formation aspects of the series. Our eBooks include embedded videos, worksheets, and other interactive features alongside the text of each **Credo** book.

SIX CORE COURSES BUILD UPON AND DEEPEN STUDENT UNDERSTANDING

Credo is a faith-centered program, underpinned by a strong social justice element, which will guide students from information to formation to transformation, and open them to the richness of the Catholic faith tradition.

All of the core titles in the **Credo** series are in full conformity with the USCCB framework:

- Course 1: God's Word Revealed in Sacred Scripture
- Course 2: Son of God and Son of Mary
- Course 3: The Promised One: Servant and Savior
- Course 4: The Body of Christ: The Church
- Course 5: Encountering Christ in the Sacraments
- Course 6: Living and Loving as Disciples of Christ

ELECTIVE COURSES ALLOW CUSTOMIZATION

In addition to the core series, we also offer five elective semester courses that build upon the core series, deepening the students' understanding of the subject matter for lifelong catechesis. It is recommended to use these courses following the core series. They can be taken at the schools' discretion and can be customized.

NEW!

LIVE JESUS IN OUR HEARTS

Framework for a new generation, where they'll dive into Scripture!

Live Jesus in our Hearts is a prayer said daily by Lasallians all over the world. Our new high school religion curriculum reflects this prayer, and our mission—that every young person would invite Jesus’ presence in every moment. We sought to begin answering the needs of today’s youth, in a generation where the spiritual and religious landscape has shifted dramatically.

In ***Live Jesus in Our Hearts***, we take a step towards providing students a space to wrestle with important faith and life questions, while digging deeply into Scripture and the teachings of the Catholic Church. For example, each unit and chapter begin with a conversational Focus Question that students really ask. As students progress through the unit, they are provided with the knowledge and skills to respond to the question from a faith perspective, aided by the activities found in the seamless Teacher Guides. And in addition to covering all required Framework points, the first course is an intro to the Old Testament and the second course an intro to the New Testament.
