LESSON 4 Safety Awareness

Being Prepared

When we are prepared for dangerous situations, we feel safer and more confident in our everyday lives.

Read each scenario and write how you would respond to each one.

An adult you don't know asks for help to load groceries into his car.

An adult, whom you see every day but whose name you do not know, asks your name.

An adult asks you to keep a secret from your parents.

You witness a car accident.

Someone says that she is hurt and needs help.

You get separated from your group during a field trip.

Nearness to God

During each day, we can do things that help us grow closer to God. We can also make choices that tend to keep us from him.

Reflect on what happened to you today. Use the space provided to record your thoughts in response to the questions.

Scripture

Submit yourselves to God. Resist the devil, and he will flee from you. Draw near to God, and he will draw near to you.

James 4:7-8

When did I feel God's presence today?
How did I respond?

Which of my choices led me away from God? How could I have acted differently?

How did my choices today bring me closer to God?

How can I ask God to draw near to me tomorrow?

Prayer

Almighty God, thank you for your limitless grace. Help us to be mindful at all times of your blessings and love so that we may draw closer to you. In times of joy, fear, or hardship, you are the strong refuge we seek.
