LESSON 5 Digital Discipleship

Witness to God's Love

All of us are called to share God's message of love and to communicate safely and with respect. Although technology provides us with many ways to communicate, we must use it responsibly. Our words and actions should give **witness** to God's love by expressing ourselves in measured, respectful ways.

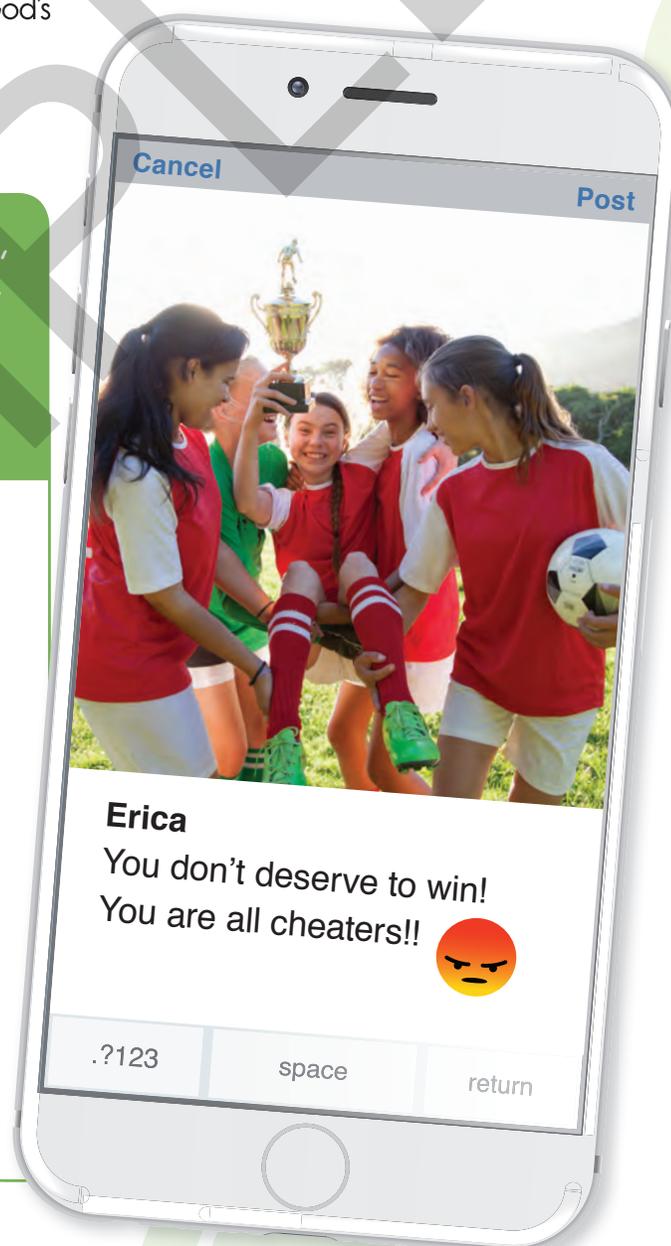

Read the scenario below and answer the questions.

Lin's team won the big soccer game. Afterward, Lin posted a photo of her team on social media.

Erica was on the losing team. She is angry about a call by the referee. She wants to post a negative comment on Lin's photo.

What should Erica consider before posting?

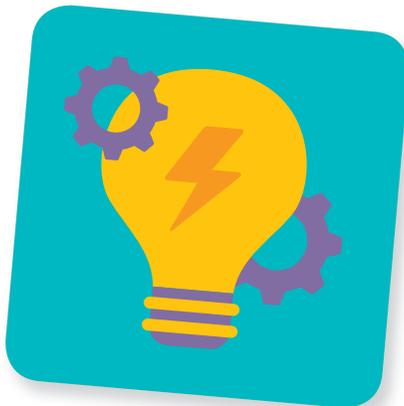

How could Erica communicate respectfully in this situation?

Design an App

Imagine you have been hired to invent a new app that improves social media. For example, it might screen out negative language, keep track of positive comments, or block cyberbullies.

Write and draw your ideas below.

Lord's Prayer

*Our Father who art in heaven,
hallowed be thy name;
thy kingdom come,
thy will be done
on earth, as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.*
