Your Spiritual Journey

Your Grade 1 Saint: Saint Francis of Assisi

Christ In Us offers a saint for every grade. As you journey through each unit, remember to pray to your grade's saint. Ask him or her to help guide you to be closer to Jesus Christ.

Saint Francis of Assisi was born into a very wealthy family. He always had the best things money could buy. Francis also had a lot of friends. However, money and friends did not make him happy.

When Francis got older, he heard the voice of Christ. He started giving all his money and things to the poor. But Francis quickly realized that the best gift he could give to God was not money or things. It was the gift of his life.

This inspired Francis to live a life of poverty and serve the poor. Many of his friends even started to follow his example.

In his poverty, Francis began to see God in all of creation. It changed him! From then on, he spent his life caring for all of God's people, animals, and nature. Francis wrote a hymn in praise of creation.
