

The Good Samaritan

LUKE 10:29-37

Bible Background

Jesus used stories to teach people. Read this story to find out what Jesus taught about being a good neighbor.

Reading the Word of God

Robbers attacked a man. They took everything he had. They left him on the side of a road.

A priest came down the road. He did not help. A priest's helper came down the road. He did not help.

Then a man from the land called Samaria came down the road. This traveler helped the man who was hurt.

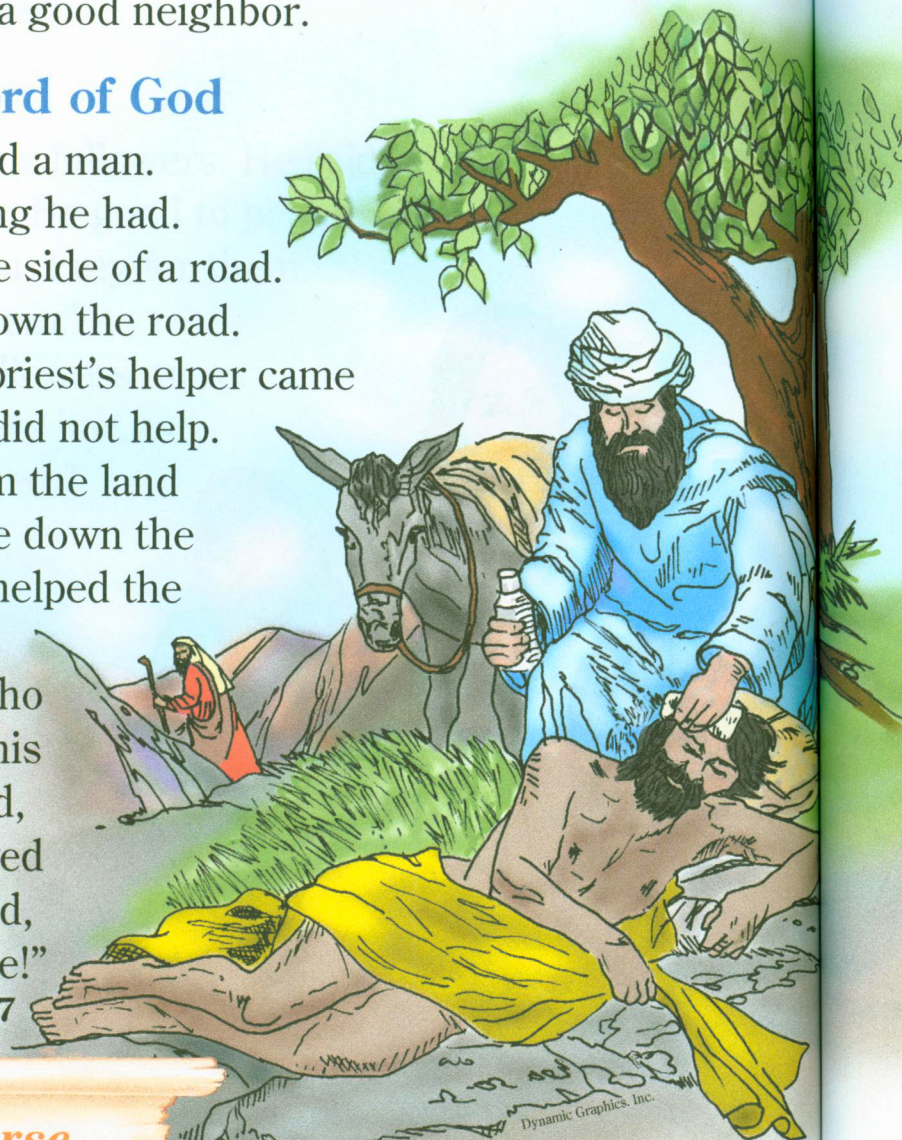

Jesus asked, "Who was a neighbor to this man?" Someone said, "The one who showed kindness." Jesus said, "Go and do the same!"

Based on Luke 10:29-37
